2018 Scrappy Batiky Stars

Dig out your bright batiks and let's light up the night with these stars!

Cutting:

From assorted batiks cut out the following pieces:

Two (2) batiks cut to measure a $3\frac{1}{2}$ inch squares

Two (2) coordinating batiks cut to measure a $3\frac{1}{2}$ inch squares

Four (4) batik squares cut to measure a 4 inch square - These four squares can be whatever colors you'd like. Coordinate or mix 'um up. Your choice!

Cut these batiks on the diagonal

From Whitish Batiks cut:

Four (4) squares measuring 4 inches then cut these diagonally

Four (4) squares measuring $3\frac{1}{2}$ inches

Assembly:

Stitch the colorful diagonally cut batiks to the whitish batik diagonally cut batiks.

Press the seams and trim these to make $3\frac{1}{2}$ inch squares. (You should have 8 of these)

Arrange the blocks as shown in Figure 2. Stitch them together in rows, and then stitch the rows together. Press.
