

Adios P & D

Sweet and Simple Summer

May/June 2018

VQ Block of the Month

Charm pack works great for this one.

Cut four (4) $2\frac{1}{2} \times 5$ inch (larger) rectangles from different different summery fabric

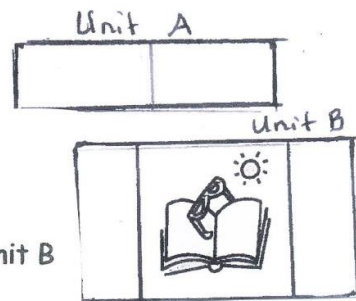

Cut two (2) $2\frac{1}{2} \times 4\frac{3}{4}$ inch (smaller) rectangles from two different summery fabrics

Cut one (1) 5 inch square from one summery fabric

SO- Now you've got 5 different summery fabrics that complement each other beautifully.

Assembly:

1. Sew 2 small rectangles to make Unit A
Make two of Unit A

2. Sew 2 large rectangles to the 5 inch square to make Unit B

Directions: Sew one of Unit A to the top of Unit B. Then sew the next Unit A to the bottom of Unit B. You should have a 9 X 9 inch block

Easy Peasy - RIGHT!

These blocks will make a quick and lovely summer quilt when the new owner sashes it with a bright white. Maybe you'll be the winner! Or you could even make one for yourself over the summer. Enjoy!
