

TWIRL INTO SPRING!

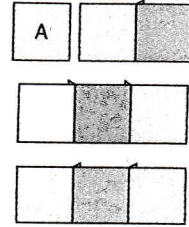

NINE PATCH TWIRL

You will need nine different 4 ½ in. squares of assorted spring fabrics.

Sew into three rows, pressing seams in opposite directions for easy nesting.

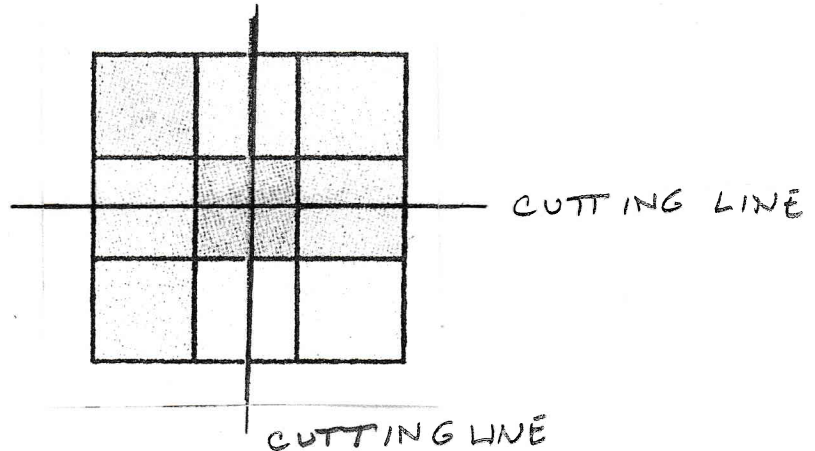

Sew rows together and press seams in opposite direction.

You will have a basic nine patch.

Rotary cut the squares horizontally and vertically as per the diagram.

You will have four 6 ½ in. squares.

Turn square 2 and 3 until the smallest corner piece is on the upper outside as per diagram below.

Sew squares together to form one 12 in. block. Do not trim block.
